Dear Brian,

On behalf of the Lockyer Valley Riding for the Disabled I thank you very much for your sale to us of a container in such good condition at a decreased cost. Riding for the Disabled is a not for profit, volunteer based organisation which relies heavily on the kindness of the Community to assist us in the running of our Centre and we are very grateful for the help we receive. The container is absolutely necessary for us in order to keep our gear secure and out of the weather. If you wish to put a sign on our container advertising your business, it would be our pleasure to display it. I have taken pictures of the container and these may accompany a story in the Gatton Star and/or Qld Times. They will appear in our newsletter.

Once again, thank you for your assistance,
